

Expand your services to satisfy your clients

Businesses can enhance their offering beyond core services to meet additional clients' needs, including:

- ◆ Access to a range of products to help manage international payment risk
- ◆ Free currency payment accounts with access to over 33 currencies online
- ◆ Exchange currency, pay beneficiaries and receive funds all from the same platform
- ◆ Dedicated Relationship Manager to offer expert market guidance
- ◆ Free FX healthcheck to benchmark rates
- ◆ All relevant client funds are safeguarded and held in segregated client accounts
